

SUMMER CLASSES

RESTED AND CONNECTED!

During the summer, we strive to be "rested and connected" and enjoy a little slower pace of life.

We only offer two Sunday morning classes, Breakfast is a Heavy Continental, and Wednesday Night Dinner and Classes are on break until Wednesday, August 19th, with the exception of Youth, which will continue meeting throughout the summer.

WEDNESDAY NIGHTS

Youth: Grades 6-12

While many of our regular Wednesday Night activities pause for the summer, Youth carries on! Join us all summer long for fun, fellowship, games, conversations, and special events both on and off campus as we stay connected and continue growing together.

SUNDAY MORNING CLASSES

ADULTS

"The Slow Descent of Lot" Join John Hangen for this well prepared and deeply fascinating exploration of the life of Lot, the allure of Sodom, and the subtle ways compromise, comfort, and culture can shape our faith over time (Genesis 12-19). Together we'll wrestle with Scripture, human nature, and what it means to remain faithful in a complicated world.

"Clergy-Led Scripture Study" Join members of the clergy for a relaxed and engaging time of Scripture study, reflection, and conversation. Together we'll explore Biblical themes, ask thoughtful questions, and discover fresh insight and encouragement for everyday faith and life.

CHILDREN AND YOUTH

Children's Sunday School (Grades K-5) Will engage with the Bible through the Revised Common Lectionary. Using story, prayer, games, crafts and curiosity to understand how this sacred text impacts our lives..

Children's Chapel (during 10:30AM worship) Mini-Revolutions: A story time followed by interactive learning stations that use art, movement, prayer and play to explore the meaning of that day's Bible verse from the lectionary.

Youth Group (Grades 6-12) Youth Sunday School is a space for students to connect, ask questions, explore faith, and grow together in a welcoming and engaging environment. Join us each Sunday as we dive into Scripture, conversation, and topics that matter in everyday life.
